Al Fatlawy Booth Design

"The Al Fatlawy booth design combines the brand's bold red color with a rich cultural essence. The background features elegant Arabic calligraphy, creating a connection to tradition. Special patterns, crafted by our design team, are inspired by the unique shapes and motifs of Iraqi heritage.

These cultural influences blend seamlessly with modern design, highlighting Al Fatlawy's identity and values. The booth stands as a vibrant representation of both the brand's legacy and contemporary innovation."
